The learner has to agree to each of the following points and acknowledge that he/she has not used LLMs generated text for his/her dissertation as part of the above programs.

- I agree I have not used Gen AI to gain an unfair advantage in this assessment and confirm that this work is my own.
- I agree I understand the risks and limitations associated with Gen AI, including bias, inaccuracy, inappropriate content and ethical issues.
- I agree I have not submitted any personally identifiable information to a Gen AI tool.
- I agree I confirm that no part of this assessment copies Gen AI output without acknowledgement.

I agree with each of the above points, and upGrad-LJMU will not consider my submission if my Research Proposal is found to be plagiarized or if any part of it is found to be written using large language models or generated text tools.
